

**We believe a smile should never be out of reach.**

Our Essential Denture Line is ideal for patients who are already successful denture wearers but ready for replacement. This simpler and less involved system provides a well-fitting quality denture. Essential denture treatment is also more time efficient requiring less appointments to get you smiling sooner. Economically priced it is the perfect fit for patients wanting less change and with more focus on a simple replacement of what has already worked well.

Procedures included:

- Standard Consultation.
- Impressions and standard bite registration.
- Basic functional try-in.
- Standard insertion procedure.
- Limited follow up care.

Not included:

- Any claim billing, submission, or investigation into dental insurers.
- Any material or procedural upgrades.
- Cosmetic enhancements.
- Not available for first time wearers.
- Not available for immediate or transitional programs.
- Not available for implant retained denture programs.

**\$995 per denture**

Terms are cash only.

**NO TAX** as this is considered a health service.
